10. Credit Option Agreement between Cornèr Bank Ltd., Via Canova 16, 6901 Lugano, (hereinafter referred to as the "Bank") and the cardholder of a credit card

1. Credit option/interest

The credit option will enable the principal cardholder or additional cardholder (hereinafter referred to as the "Cardholder") to pay the amount shown on the relevant monthly statement in installments, for transactions that are performed after expiration of the revocation deadline (see section 3 below). In such cases, the Bank must receive the minimum amount, corresponding to 2,5 % of the total billed amount, subject to a minimum of CHF 50, by the date stated on the monthly statement. Any payment arrears must also be settled immediately. If the Bank is not in possession of the required payment by the stated date, or if the amount paid is less than the prescribed minimum, the Cardholder will be deemed in default in respect of the whole balance, without any further request for payment, with all legal consequences in this regard. On default of the Cardholder, the total balance on any other account statements in the name of the same Cardholder will also immediately become for payment. Any excesses of the spending limit must be settled immediately. The annual interest rate charged on arrears will be no higher than 15% (Article 14 of the Federal Consumer Credit Act [Konsumkreditgesetz – KKG]); the applicable maximum interest rate is set by the Federal Department of Justice and Police (FDJP). A partial payment will initially be used to settle the interest due.

2. Check of creditworthiness, spending limit, and overall limit

As a result, all transactions effected using these Cards may not, in aggregate, exceed this overall spending limit. The Bank reserves the right to adjust the spending limit at any time and shall notify the Cardholder of any such adjustment in writing. Spending in excess of the limit set is not permitted. In the event that the limit is exceeded nevertheless, the Cardholder shall repay the excess amount immediately and in full.
