

# Overview of service table

## Charges, Interest Rates and Fees – 01.2025 Edition

The product type "Platinum", "Gold", "Classic" and "Prepaid" define the type and scope of insurance cover for the relevant card product in the General Terms of Insurance. If these conditions do not mention the product designation in question, there is also no insurance cover. The prices are indicated in at the end of the booklet with the General Terms of Insurance ([cornercard.ch/e/gt](https://www.cornercard.ch/e/gt)).

- <sup>1</sup> **Energy:** The issuance of an Energy Card does not bestow any rights to receive tickets to events organized by companies of Energy Schweiz Gruppe. These rights are determined exclusively by the terms and conditions of the respective organizer. Only one type of Energy Card (credit card, prepaid card, or Load&Go prepaid card) may be issued per applicant.
- <sup>2</sup> **Miles & More:** If the principal cardholder is or has qualified as a HON Circle Member (HON), Senator (SEN), or Frequent Traveler (FTL) in accordance with the Miles & More Terms and Conditions, Cornèrcard will contribute to such annual subscription fees of the principal card as follows: HON/SEN: For Cornèrcard Miles & More Gold or Cornèrcard Miles & More Classic, Cornèrcard assumes the annual subscription fee in full; accordingly, the annual subscription fee for HON/SEN is CHF 0 instead of CHF 220/140. FTL: Cornèrcard Miles & More Gold: CHF 80; accordingly, the annual subscription fee for the Cornèrcard Miles & More Gold is CHF 140 instead of CHF 220. If HON, SEN, or FTL status is no longer maintained, such annual subscription fee reduction will cease, in part or in full, depending on the new status, and the cardholder will in part or in full resume payment of such annual subscription fees. This is determined by the status communicated by Miles & More in the month prior to the month in which the annual subscription fee is charged. No subsequent prorated refund is possible.
- <sup>3</sup> **MedicusInfo:** if the card applicant applies for a MedicusInfo membership card with payment function (credit card), they automatically become a member of MedicusInfo. They authorize Cornèrcard to charge the annual membership fee (CHF 250 in the first year and CHF 330 from the second year, including private accident insurance, form K [Switzerland]) to their credit card directly. If the applicant has a prepaid card, MedicusInfo will manage the membership fee directly.
- <sup>4</sup> **Support for WWF:** For each card issued, Cornèr Bank Ltd. pays WWF Switzerland a fixed sum plus a turnover share on every card transaction (at no extra cost to the cardholder). Donation service: The donation to WWF, selected on the card application or by separate application form (CHF 60/90/150), is automatically debited annually to the principal card or to the partner card with independent income (for the last product: cards issued until 31.12.2020) e. The donation amount is debited simultaneously with the applicable annual subscription fee, provided that the signatory of the card application joins the donation program at the same time. If joining takes place via separate application form, the donation is debited after receipt of the form by Cornèr Bank Ltd. and at the same time in subsequent years. The donation amount can be amended within the available range (CHF 60/90/150) with effect for the respective subsequent year, using the appropriate application form. Consent for the debit of the donation is valid in principle for the whole term of the card contract. It may, however, be revoked at two months' notice before the end of a contract year, or before the end of the year of first debit of the donation, with effect for the following year. If a separate application form is used to join, revocation is permitted at two months' notice before the date of the annual anniversary of signing the form.
- <sup>5</sup> **LLB Schweiz AG:** CHF 0 in the LLB Daily.
- <sup>6</sup> **WinWin partner programs:** Detailed card benefits and any sponsorships can be found on the relevant partner website.
- <sup>7</sup> **Debiting of donations (Stiftung für das Tier im Recht, Sea Shepherd, Stiftung Schweizer Sporthilfe, Stiftung 4Pfoten, Ju-Air, Fondation Barry):** The donation to Stiftung für das Tier im Recht, Sea Shepherd, Stiftung Schweizer Sporthilfe, Stiftung 4Pfoten or Ju-Air or Fondation Barry, selected on the card application or by separate application form, is automatically debited annually to the principal card or to the partner card with independent income (for the last product: cards issued until 31.12.2020). The donation amount is debited simultaneously with the applicable annual subscription fee, provided that the signatory of the card application joins the donation program at the same time. If joining takes place via separate application form, the donation is debited after receipt of the form by Cornèr Bank Ltd. and at the same time in subsequent years. The donation amount can be amended within the available range with effect for the respective subsequent year, using the appropriate application form. Consent for the debit of the donation is valid in principle for the whole term of the card contract. It may, however, be revoked at two months' notice before the end of a contract year, or before the end of the year of first debit of the donation, with effect for the following year. If a separate application form is used to join, revocation is permitted at two months' notice before the date of the annual anniversary of signing the form. The personal details (first name, last name, address, date of birth, e-mail address, and donation amount) are passed to historic RhB, Stiftung für das Tier im Recht, Sea Shepherd, Stiftung Schweizer Sporthilfe, Stiftung 4Pfoten or Ju-Air or Fondation Barry for administrative purposes (issue of donation receipt, etc.).
- <sup>8</sup> **Ferrari Club Switzerland:** For detailed card benefits, please see ferrariclubswitzerland.ch.
- <sup>9</sup> **Debiting of donations (Heart for India):** This amount shall be charged directly to the credit or prepaid card and shown on the monthly statement immediately following. The amount of the donation shall be transferred from Cornèrcard to the foundation's account on receipt by Cornèrcard of the corresponding payment. Provided that membership of the donation program has been finalized in parallel with the signing of the card application, the amount of the donation shall be debited at the same time as the corresponding annual subscription fee. If the program membership application is made by means of a separate form, Cornèr Bank Ltd. shall debit the donation upon receipt of the form.
- <sup>10</sup> **Diners Club Miles & More:** CHF 0 with the Cornèrcard Miles & More combined offer.
