² This promotion only applies to persons applying for a new Cornèrcard Miles & More credit card during the period between 31 August 2026 and 29 November 2026, provided that the card is issued in the same period. The issue of a Cornèrcard Miles & More credit card requires, amongst other things, an examination of the applicant's creditworthiness in accordance with the applicable legal requirements (including in particular the Federal Consumer Credit Act (Legge federale sul credito al consumo - LCC)). Cornèr Bank Ltd. may also refuse to open a card account without stating reasons. In such an eventuality, the card applicant will also not have any rights. This offer is available exclusively for new clients who do not yet have a Cornèrcard Miles & More Business principal credit card, or who have not cancelled such a card in the twelve months before the start of this promotion, i.e. before 30 August 2025. This promotion is not valid for any additional cards (as well as transactions concluded using these cards). In addition, the bank reserves the right to cancel welcome bonus miles if the card is cancelled by the card holder and/or the bank within twelve months of the card being issued, or if the card holder does not conclude transactions using the Cornèrcard Miles & More credit card during the same period with a total value of at least CHF 3,000.

³ The following card transactions do not entitle the cardholder to earn miles: cash withdrawals, gambling of any kind or in any form, services offered in connection with the card, commissions, annual fees and interest. The cardholder is also not entitled to mileage credit if the card transactions are not concluded for the purpose of purchasing goods or services but rather improperly and solely for the purpose of generating miles (e.g. the holder of the Miles & More credit card transfers money to themselves from the PayPal account to which the Miles & More credit card is registered as a means of payment). The Bank reserves the right to subsequently cancel any miles that have nonetheless been credited.

Participation in this promotion is at the cardholder's own risk. Cornèr Bank Ltd. accepts no liability for any direct or indirect losses suffered by the cardholder as a result of participation in the promotion. Cornèrcard reserves the right to amend these Terms and Conditions and/or the promotion in general at any time, and also to suspend the promotion definitively without stating reasons. The cardholder shall be informed in an appropriate manner concerning any amendment/suspension of the promotion. Otherwise, the current General Terms and Conditions for the Miles & More programme apply. For the applicable law and jurisdiction, please refer to the contractual relationship between Cornèrcard and the card holder, or to the provisions of the applicable General Terms and Conditions.
