

# Request for the electronic monthly statement

## What are the advantages of an electronic monthly statement?

In future, you will only be able to receive your monthly statements in electronic format at icorner.ch, rather than in paper form. This way you will reduce the volume of paper in your daily post, while saving valuable resources and money.

## How is the monthly bill paid?

You will receive notice by e-mail as soon as your electronic monthly statement is available for viewing at icorner.ch.

There are two ways of paying your bill:

- either electronically, via eBill,
- or using QR-bill.
