

This promotion is only valid for people who apply specifically and directly for, and subsequently obtain, a new principal Cornèrcard «Classic» Visa/Mastercard¹ credit card between 1 June and 2 August 2026. The promotion applies exclusively to new Cornèrcard clients, i.e. (i) anyone who, on the launch date of this promotion, has never previously held a Cornèrcard payment card (credit card, prepaid card, etc.), or (ii) anyone who, on the launch date of this promotion, is not a holder of a Cornèrcard payment card, but has been in the past, provided that the last payment card account was cancelled at least six months before the launch date of this promotion, i.e. 1 December 2025.

Any person who fulfils the requirements set out above for participating in the promotion can benefit from the following:

- a) No annual subscription fee will be charged for the new principal Cornèrcard Classic Visa/Mastercard credit card during the first year. An annual subscription fee of CHF 100 will be charged from the second year onwards, respectively, as per the periodically updated and applicable «Overview of Services» (schedule of charges).
- b) A CHF 50 credit will be applied to the new Cornèrcard Classic Visa/Mastercard credit card by 30 November 2026, as long as the first transaction is concluded by 31 October 2026. Payment of the aforementioned amount may not be redeemed in cash and/or in any other manner.
- c) With the new Cornèrcard Classic Visa/Mastercard principal credit card, issued between 1 June 2026 and 2 August 2026, you can benefit from double cashback of up to CHF 100 (0.6% instead of 0.3% in CHF and 1.2% instead of 0.6% in foreign currencies). Double cashback applies to all eligible transactions made until 31 October 2026. The additional cashback earned during the promotional period will be credited by 30 November 2026.

This promotion is not valid for any additional cards (as well as transactions concluded using them). The amount of «extra cashback» accumulated during the promotion will be credited by 30 November 2026, provided that all of the other conditions are met, including those under the Cornèrcard Cashback programme. This offer cannot be combined with any other ongoing cashback promotions and is only valid for transactions eligible for cashback (further information concerning Cornèrcard Cashback is available at cornercard.ch/cashback).

«Extra cashback» may not be redeemed in cash and/or in any other manner. If the payment card relationship to which the «extra cashback» has been credited is cancelled prior to the crediting thereof (irrespective of who has submitted the cancellation), participation in the promotion will be automatically cancelled and the amount accumulated as «extra cashback» will also be forfeit (it will not be credited and cannot be redeemed and/or transferred in any way: cancellation will take place immediately, without any compensation and/or rights of any kind, either for the cardholder or for third parties). For example, the amount of «extra cashback» may not be credited to a different account held by the cardholder. The provisions of this article shall also apply to the crediting of CHF 50 following the first transaction.

Cornèrcard reserves the right to amend these Terms and Conditions and/or the promotion in general at any time, and to suspend the promotion definitively without stating reasons. The cardholder shall be informed in an appropriate manner concerning any amendment/suspension of the promotion.

Participation in this promotion is at the responsibility of the cardholder. Cornèrcard accepts no liability for any direct or indirect losses suffered by the cardholder as a result of participation in the promotion.

Cornèrcard does not provide any warranty to the effect that information, announcements, descriptions, etc. relating to the promotion is or respectively are absolutely accurate. This shall also apply in particular to any linked information. In the event of doubt, the cardholder is invited to contact Cornèrcard in order to obtain further information.

For the applicable law and jurisdiction, please refer to the contractual relationship between Cornèrcard and the cardholder, or to the provisions of the applicable General Terms and Conditions. Otherwise, the Cornèrcard Cashback Programme Terms and Conditions (cornercard.ch/cashback) shall apply.

¹ Applies only to cards with a full services package (i.e. cards without the credit option and prepaid cards offered by Cornèrcard as an alternative to the one requested, etc. are excluded). This promotion is only valid on condition that the «Classic» Visa/Mastercard credit card is actually issued. The issue of the card requires, amongst other things, an examination of the applicant's creditworthiness in accordance with the applicable legal provisions (including in particular the Federal Consumer Credit Act (Legge federale sul credito al consumo – LCC)). Moreover, Cornèrcard Bank Ltd. may also refuse to open a card account without stating reasons. In such an eventuality, the card applicant will also not have any rights.
