Any person who fulfils the requirements set out above for participating in the promotion can benefit from the following:

- a) An annual fee of only CHF 95 will be charged for the new principal Cornèrcard Gold Visa/Mastercard credit card during the first year. An annual CHF 190 fee will be charged from the second year onwards.

This promotion is not valid for any additional cards (as well as transactions concluded using these cards). The extra cashback amount accumulated during the promotion will be credited by 30 September 2026, provided that all prerequisites are met, in particular the conditions applicable to the Cornèrcard Cashback programme (e.g. the amount of the cashback accumulated must be at least CHF 25 and redemption is not automatic). This offer cannot be combined with any other ongoing cashback promotions and is only valid for transactions eligible for cashback (further information concerning Cornèrcard Cashback is available at cornercard.ch/cashback).

Cashback may not be redeemed in cash and/or in any other manner. If the account linked to the payment card on which cashback is being earned is closed before the cashback is credited (regardless of which party closed the account), participation in the promotion will be automatically terminated and any amount earned as cashback will be lost. The amount of cashback earned will not be credited, and may not be redeemed and/or transferred in any way: cancellation will occur automatically without any compensation and/or entitlement whatsoever, either for the cardholder or for any third party. For example, the amount of cashback may not be credited to a different account held by the cardholder.
