

CORNERCARD EXPENSE MANAGEMENT

ONE PLATFORM FOR SMART EXPENSE MANAGEMENT AND BUSINESS PAYMENTS.

Built for Swiss SMEs, Cornercard Expense Management combines Edi's expense intelligence with Cornercard's payment expertise in a single integrated solution. Issue unlimited virtual credit cards, automate expense processes and keep full visibility over company spending – from payment to approval. One dedicated credit line, settled with a single monthly statement.

Managing business expenses shouldn't mean juggling cards, spreadsheets and disconnected tools. Whether it's business travel, software subscriptions or everyday purchases, Cornercard Expense Management brings payments, cards and expenses together in one place - less admin, more control, simpler processes.

HOW CORNERCARD EXPENSE MANAGEMENT SUPPORTS YOUR BUSINESS.

Reduce administrative work: Replace paper receipts, spreadsheets and manual expense reports with one digital workflow that saves time for everyone.

Improve spending control: Monitor payments, cards and expenses in real time. Spending rules and limits help keep every expense under control, regardless of payment method - whether made via virtual cards, cash or out-of-pocket spending.

Give employees the right payment solution: Issue unlimited virtual cards in seconds for employees, teams or projects. Physical business cards can be added whenever required.

Grow at your own pace: Add users and issue new cards as your company grows. With pricing based on active users, you only pay for what you use.
