

MILES & MORE COMBO OFFER

BENEFIT PERSONALLY FROM AWARD MILES.

A winning combination.

Cornercard Miles & More Business Visa or Mastercard and Diners Club Miles & More Corporate cards offer the entire service package of the classic Cornercard company credit cards. In addition, cardholders are given access to more than 1,300 Diners Club Airport Lounges and benefit from all the advantages offered by the Miles & More frequent flyer program: the cardholders receive on their miles account one award mile for every CHF 1

spent with a Diners Club and one award mile for every CHF 2 spent with a Cornercard. The miles can, of course, be used for business trips.

Control, security and transparency for your business.

The iCornèr App helps every cardholder to keep track of the payments made. If your company already uses an expense reporting tool, the transaction data can be transmitted directly to it. This measurably increases efficiency not only for employees but also in terms of administration.

A comprehensive business travel insurance policy ensures that cardholders feel protected at all times. Our Swiss customer service is there for you 24/7!
